**Allocation of Delegates:** The participation in the Convention would be restricted to Delegates allotted for each State Federation ( see overleaf). State Federations should ensure that out of their total delegation, atleast 30% should be young women employees with less than 7 years' service. State Federations should allot these numbers to all their Units representing all the Banks including from RRBs and Co-operative Banks.

**State-level Conventions:** Wherever State-level Women Conventions have not been held after January, 2015, such State Federations should hold their State-level Conventions before our All India Convention. All State Federations should form Women's Council/Committee/Wing, if not already done.
