CIRCULAR LETTER No. 28/103/2018/51

17-10-2018

**TO ALL OFFICE BEARERS, STATE FEDERATIONS AND
ALL INDIA BANKWISE ORGANISATIONS**

Dear Comrades,

Need for caution while sending/forwarding messages

Time and again, we have been requesting and cautioning our units and members to be careful while sending or forwarding messages through SMS, Whatsapp, email, facebook, etc. We have seen few days ago the confusion sought to be created amongst units and employees by some cunning, deceitful, dubious, dishonest, duplicitous elements by manufacturing a fictitious, fabricated, fraudulent, false and fake circular on strike call.

These elements who are the by-products of anti-AIBEA forces derive sadistic pleasure by creating such confusions and their attempt is to derail the process of negotiations by such anti-organisational methods. Little do they know that AIBEA has seen all these tricks in the past and cannot be bullied by such tactics.

But it is very important that our units and members do not innocently forward such messages without verifying from their respective higher leadership. Already, in many of our Whatsapp groups, greeting messages and other routine/unwarranted and unconnected informations are being posted and forwarded which are avoidable. Blind forwarding of messages and circulars should also be avoided. Admins of Whatsapp Groups should take care that everyone does not post every message. Some restraint and restriction should be practiced by us. **We should use and benefit from technology but should not become a victim of it.**

With greetings,

Yours Comradely,

**C.H. VENKATACHALAM
GENERAL SECRETARY**
